This offers very reasonable value for the price."-Burghound.com

## **Morgan Pinot Noir 12 Clones Santa Lucia Highlands 2007**

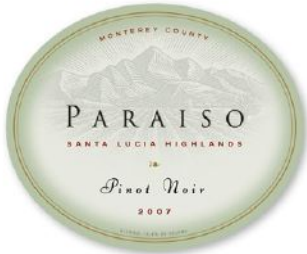

**Green's Cash Price: \$23.99**

"...ripe and relatively deeply pitched nose of black cherry, raspberry and a hint of cassis is impressively complex as it merges gracefully into nicely detailed, intense and well-focused medium-bodied flavors that possess as much depth as the nose on the lingering, balanced and attractively dry finish. Lovely and while not necessarily an elegant wine, there is good character and power. It also delivers fine value plus it will age. Recommended for both quality and value. 90 points."- Burghound.com
