*Welcome to the Wines of Patrick Mata  
and Alberto Orte of Ole Imports!*

**OLÉ**

Unique, terroir-driven wines of extraordinary value

**OLE IMPORTS** began in 1999 with just 3 wines. Their unique portfolio of Spanish wines has now grown to over 100 wines today. Founder Patrick Mata and partner Alberto Orte have searched the Spanish peninsula for wines that share four fundamental elements: terroir, quality fruit, exceptional winemaking and last but not least, wines that present an exceptional value.

**Senorio de Barahonda Carro 2010**  
**Green's Cash Price: \$9.99**

"...the unoaked 2010 Carro, a blend of 50% Monastrell, 35% Syrah, with the balance Tempranillo and Merlot. Notes of game, underbrush, and blueberry inform the nose of this pure, spicy, pleasure-bent red...."

Rated 88 Points-Wine Advocate

**Bodegas Torremoron Ribera Del Duero 2009**  
**Green's Cash Price: \$10.99**

"...made from 100% Tempranillo, was fermented and raised in a combination of large oak and stainless steel. Purple-colored, it displays an enticing perfume of fragrant black cherries and violets. Ripe and concentrated on the palate, this crowd-pleaser is an excellent value..."

**Cortijo III Rioja Tinto 2010**  
**Green's Cash Sale Price: \$9.99**

This exuberant young medium-bodied red wine is full of fruit and spice. Soft and oh-so-gulpable today, this is very versatile. Pairs well with white meats like pork and chicken; it's also a good match with red meats and stews.

**Bodegas Vinos Pinos Ludovicus 2010**  
**Green's Cash Price: \$10.99**

"...a blend of 40% Garnacha with the balance Carinena, Merlot, Syrah, and Tempranillo aged 3 months in French and American oak. It emits an inviting nose of spice box (cinnamon and clove), lavender, black cherry, and plum. In the glass it sports an easy-going, friendly personality leading to a fruit-laden finish with no **hard edges.**"

Rated 87 Points-Wine Advocate

**Vinos Sin-Ley Zestos Zestos**  
**Green's Cash Price: \$7.99**

"The best vintage to date for Zestos has produced the quality equal to a \$15 wine. The key to success for this vintage is the Garnacha. From old vines that are dry farmed (no irrigation), tended using organic viticulture, and sited at high elevation. In the words of Josh Raynolds "[Zestos provides] impressive depth for the price. This wine's liveliness reminds me of pinot noir."
